## Construction of Approaches to Well Sites from County Road Allowances

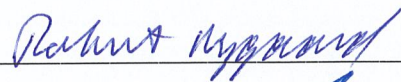

**Policy Number:** PW-01  
**Legal Authority:**  
**Approved by Council:** July 13, 1994  
**Effective Date:** July 13, 1994  
**Revised Date:** August 24, 2022

### Policy and Procedure Statement

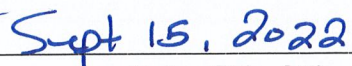

The County shall allow accesses to be constructed to well sites from County Road Allowances under certain terms and conditions.

### Procedure/ Responsibility

1. The County shall charge a non-refundable fee as per the Schedule of Fees Bylaw for all well site approaches constructed from County Road Allowances to offset costs incurred by the County pertaining to inspection.
2. The approach shall be constructed to the County standards.
3. At the discretion of the County, the Company making the original request and paying the fee as set out in the Schedule of Fees Bylaw shall be responsible to remove the approach once the well site is no longer active and carry out all clean-up.
