Joussard School Participates in Big Lakes County Clean-Up Grant

June 13, 2019: On Friday, June 7, 2019, students and faculty from the Joussard School participated in a Big Lakes County Hamlet Clean-Up Grant. The grant program provides residents with an opportunity to enhance the beautification of our County by keeping public spaces clean and welcoming.

So far in 2019, the Joussard School, the Grouard Seniors Association and members of the Grouard Fire Department and Northern Lakes College, as well as the Faust Community League have completed a Clean-Up Grant.

Reeve Simard said, *"The goal of this program is to engage community members and get people out in their communities working towards the common goal of bettering our municipality. I'm delighted with the diverse range of participants to date and would like to thank them for making Big Lakes County a better place to live and visit."*

I would also like to thank and recognize our residents for driving with caution during these events. Safety is everyone's job and always a top priority for our County."

If you would like to take part in the Big Lakes County Clean-Up, please visit our website and fill out an online application form. Applications are accepted year-round but are weather dependent. For more information, please refer to the Grant Funding Policy or contact Kaleb Brink Grants Officer at 780-523-5955 or grants@biglakescounty.ca

Contact: Victoria Pegg, Communications Coordinator, VPegg@biglakescounty.ca or (780) 523 5955.
