#GOBIGLAKES

The map shows a network of roads including Highway 2, Railroad Ave, Range Road 114, and Range Road 113A. Various icons represent community facilities: a blue location pin for the Faust Community League, an orange location pin for the Faust Charity Association, a church icon for worship, a tent for camping, a soccer ball for sports field, a fish for fishing, a boat for boat launch, a person with a dog for walking path, a person with a shopping bag for shop and fuel, a fire hydrant for RCMP detachment, a grid for outdoor rink, and a pair of glasses for views. A distance box indicates High Prairie is 55 km west and Slave Lake is 62 km east.
