

Development Permit Variance Request

A variance may be granted to change or alter a development standard prescribed by the Land Use Bylaw at the discretion of the Development Authority.

Variations may be granted for:

- A change to setbacks from the front, rear, and side property lines from a structure or building;
- A change to the permitted size or area of a building;
- A change to the size or a lot area required under specific uses.

Adjacent landowners may be notified of the proposed variance, prior to a decision being made on the request.

If a variance is granted it applies only to the specific regulations and the specific variance as stated in the development permit.

Complete and sign ***'DEVELOPMENT PERMIT VARIANCE REQUEST FORM'*** (attached). Submit the form and fee of \$100.00 with your Development Permit Application.

NOTE: The Development Permit Application Package is only considered complete once all the above noted information has been provided to our office.
